## Why our cruise is unique:

### I. The Silence of the Nile

With its absence of a motor and discreet propulsion, our Dahabiya allows you to savor the silence of the Nile without disturbing the surrounding wildlife. Travel at your own pace, admire the sublime landscapes of the river, and discover the archaeological treasures that make this destination so special.

### II. Attentive Crew

Our team members are at your disposal to meet all your needs. Skilled and multilingual, they are at the heart of your journey's success. They carefully organize site visit schedules, avoiding tourist crowds and choosing charming anchorage spots.

### III. Elegant SUITES

Our eleven spacious JUNIOR SUITES of 30 m<sup>2</sup> each offer a breathtaking view of the Nile through their bay windows. Airconditioned and comfortable, they combine the charm of modern luxury with absolute well-being. Each cabin has a private bathroom, a hairdryer, bathrobes, and a minibar.

An aerial, top-down view of a Nile cruise ship deck. The deck is light-colored with a wooden floor. A large, rectangular, light blue jacuzzi is positioned in the upper left. In the center, there is a circular lounge area with several white chairs and a table. The ship's hull is white, and a large, light-colored sail is visible on the right side. The background is a calm, greyish-blue water surface.
